**From W.W. Norton Co : The Norton Introduction to Literature (Portable Eleventh Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Norton Introduction to Literature (Portable Eleventh Edition):

30 of 32 people found the following review helpful. CAUTION: This isn't the same version as you may think!By Philip DercherIf you searched for this book using the ISBN number, check carefully to make sure you want the "shorter edition." I had shipping issues and by the time this book finally arrived, it wasn't the full 11th edition. I don't

know why this pops up when the ISBN number is used to search for it, because they have different ISBN numbers entirely. It did not include some of the pieces I needed to complete assignments, and the pieces I did use were in completely different spots than my syllabus said (due to being a different book altogether). Frustrating. 0 of 0 people found the following review helpful. Decent quality  
By Hyewon Kim  
There are some writings on it in Korean. Perhaps the previous student was Korean. I speak Korean as well so the translation helped a little bit haha. The book wasn't in a great condition so I had to fix it up to stop it from falling apart and it felt very filthy and sticky.. but it gets my school work done.

By Hal C Maulden  
very disappointed. I used the EIN number from my daughters college. This is the correct book but the wrong version. had to buy it at the bookstore for a lot more \$\$\$\$\$. Make sure that you check the versions before you buy.

A thoughtful balance of selections and more tools for student writers all at an affordable price. The Norton Introduction to Literature offers teachers the finest, most diverse selections and the most carefully edited apparatus for analyzing texts and writing thoughtfully.

About the Author  
Kelly J. Mays has taught writing and literature courses for 25 years at Stanford University (where she earned her Ph.D.), in the Harvard Expository Writing Program, at New Mexico State University, and (since 2001) at the University of Nevada Las Vegas, where she is now an Associate Professor of English. A British literature specialist whose work has appeared in *Victorian Studies*, *Victorian Poetry*, *Critical Inquiry*, and other major scholarly journals, she is currently at work on a book exploring when and why nineteenth-century Britons began to label their age, their literature, and even themselves "Victorian."
