this for class, wasn't something I would've purchased otherwise. It's a good book. Only thing I don't like is the pages are made of a very very thin, almost tissue paper like material.

A trusted collection of short essays arranged by rhetorical modewith charming, practical writing instruction. With 71 readings (half new to this edition), well-written writing instruction (including templates to help students get started), and new navigation features that make it very easy to use, The Norton Sampler is a rhetorically arranged reader that practices what it preaches about good writing.

About the AuthorThomas Cooley (PhD, Indiana University) is professor of English at The Ohio State University.
