Steve Punt, Hugh Dennis, Jon Holmes : The Now Show Book of World Records before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Now Show Book of World Records:

The Now Show Book of World Records boldly tackles all the superlatives that other books of world records avoid. It does this by means of making stuff up and scrupulously avoiding too much research, insight, or fact. Unless the fact is

funnier. And legal to mention. Split into illuminating subject sections, categories include: Biggest Scare Story, Worst Political Gaffe, Most Hated Corporate Jargon, Most Annoying Recorded Announcement, Most Stressful Special Occasion, Most Baffling Commercial, Most Inaccurate Weather Forecast and many more! With Marcus Brigstocke and Mitch Benn adding their own fine touches, this book is as fascinating and engrossing as that other book on world records (you know the one), but much, much funnier.

Definitely a laugh out loud title! SOUTH WALES ARGUS It's satirical stuff that ranges from the laugh-out-loud hilarious to the just plain bizarre.. HUDDERSFIELD DAILY EXAMINER About the Author Steve Punt, Hugh Dennis, and Jon Holmes are part of the writing team behind the ever-popular The Now Show, broadcast on Radio 4 in the UK. Their writing credits include The Mary Whitehouse Experience, Mock the Weak, and strangely, The Imaginatively Titles Punt and Dennis Show.
