Steve Fenton : The Odford English Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised The Odford English Dictionary:

So here it is, a collection from the "New Meanings" section of The Odford English Dictionary. A hand-picked list of around 500 of the best entries, presented to you neatly arranged into several categories by skilled capuchins, edited by the tea boy and accidentally leaked to the public on a series of disks left in the back of a taxi.
