From Adams Media : The Only Resume and Cover Letter Book You'll Ever Need!: 600 Resumes for All Industries 600 Cover Letters for Every Situation 150 Positions from Entry Level to CEO before purchasing it in order to gage whether or not it would be worth my time, and all praised The Only Resume and Cover Letter Book You'll Ever Need!: 600 Resumes for All Industries 600 Cover Letters for Every Situation 150 Positions from Entry Level to CEO:

2 of 3 people found the following review helpful. Volume not qualityBy Peggy WThis book has hundreds of resumes -

over half of them are poorly written. Of the resumes on the CD, many are not even one full page in length. As for the cover letters, they are far too detailed, do not get to the point, and bog the reader down. They do not make it easy for the reader to understand what the writer is asking - they read as incredibly detailed bios - not a request to network. The titles of some of the resumes are offensive - "candidate over 50" - and "immigrant" - - many others denigrate the unemployed worker or worker returning to the workforce. As a human resources professional, I find this book offensive. I am disappointed it is offered on as I have a high regard for their products. 0 of 0 people found the following review helpful. Save your money By Jeff The book is clearly miss-titled. It would be the Worst...you will ever need. Every example I looked at was the most basic resume you have ever read. Save your money. 0 of 0 people found the following review helpful. Not impressed! By sss2184 Just a large collection of resumes - most of them are not of the highest standard. Those seeking jobs in the high end technology firms and finance firms will be disappointed with this book - it is not going to help you take it to the "next" level.
