It should have been on my shelf years ago!0 of 0 people found the following review helpful. Ortho Problem SolverBy James StaffordThe Ortho Problem Solver has got to be one of the best all around gardening books that I have in my Gardening Library. The book is a little expensive but has been worth every penny that I paid for it. When ever I have any garden problems that I can't figure out, I head straight for the Ortho Problem Solver without hesitation. If you buy it you'll wonder how you could have been gardening so long without it.0 of 0 people found the following review helpful. Great reference book for every need!By bigeasyThe absolute MUST HAVE book for gardeners and plantspersons.I bought an old edition and already I've learned great things!

The fifth edition of the ultimate professional garden reference book, revised with nearly 2,000 new and updated solutions to tough gardening problems. Richly illustrated with 2,170 photographs, plus illustrations. More than 660 margin notes offer additional tips and information. New larger page size for better readability.
