From Library JournalJust in time for Halloween comes an updated edition of Overlook's 1986 encyclopedia of horror films. The book offers a year-by-year chronology from 1912 to 1992 of all films of the genre whether foreign or domestic. The book's appendixes offer bits of horror trivia, and the text is punctuated with 450 black-and-white stills and 16 pages of color photos.Copyright 1994 Reed Business Information, Inc.
