0 of 0 people found the following review helpful. Handy desk guideBy Vicky OliverThe Oxford Desk Dictionary and Thesaurus is the type of helpful resource that no desk or office library should be without. The word selections are well organized and easy to find. Color coding makes finding the right word even easier. And the occasional synonym study adds to the overall intellectual enjoyment this book affords. Keep it nearby for convenient reference. The English language is rich in word choice. Add this book to your tool box and you'll find more words with which to construct better sentences.
