**Ian Chilvers : The Oxford Dictionary of Art and Artists (Oxford Paperback Reference)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Oxford Dictionary of Art and Artists (Oxford Paperback Reference):

0 of 0 people found the following review helpful. This was recommended for an art history class I'm taking  
By Kaytie This was recommended for an art history class I'm taking, and so far none of the vocab words have been in this dictionary, and I've looked up quite a few. Not even "opaque" is listed! Seems pretty useless so far....  
0 of 0 people found the following review helpful. Super book and a super seller!  
By D S JONES A terrific book and a great seller!  
1 of 1 people found the following review helpful. Good reference  
By Sandra Barrett excellent information. Good value for the money. Well written and easy to understand. Was very glad to have found it and at a great price

Covering Western art from the ancient Greeks to the present day, this best-selling and authoritative dictionary is more wide-ranging than any comparable reference work. It contains over 2,500 clear and concise entries on styles and movements, materials and techniques, and museums and galleries. It also includes biographical entries for artists, critics, collectors, dealers, and patrons, with places and full dates of birth and death (in many instances correcting misinformation that has found its way into other sources). For this new edition, entries have been thoroughly revised and updated, and more than fifty new entries have been added. Browsers and readers with an interest in a particular area will benefit from the classified list of all the entries in the book. Written in an engaging manner with many entries enlivened by quotations from artists and critics, this dictionary is a pleasure to browse, while its A-Z structure and classified list makes it perfect for quick reference. Previously entitled *The Concise Oxford Dictionary of Art and Artists*, this major new edition is essential for anyone with an interest in art.
