From Oxford Univ Pr : The Oxford Dictionary of Idioms before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Oxford Dictionary of Idioms:

3 of 5 people found the following review helpful. A must have for your English language collection! By R. Smith This gem is full of the amazing history of our cultures most common (and often butchered) idioms. We have enjoyed hours

of laughter and learning keeping this book at hand. I have even ordered extra copies for gifts!
