Most of it won't ever be useful.0 of 0 people found the following review helpful. It's what I was seeking.By Dave MurphyReplaced one I had bought 25 years ago while living in Montreal and loaned

out to someone 10 years later who never returned it. This book shows pictures of related objects grouped together by a similar theme and provides the appropriate names for the objects in both english and french languages.0 of 0 people found the following review helpful.
