Oxford University Press : The Oxford-Duden Pictorial Portuguese-English Dictionary before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Oxford-Duden Pictorial Portuguese-English Dictionary:

0 of 0 people found the following review helpful. Duden in Portuguese By Andrew Remson The Portuguese-English version of the great Duden series of picture dictionaries. These dictionaries give detailed and accurate definitions of words not found in ordinary dictionaries; for example, the detailed parts of a car. They are invaluable for detailed

technical translations.0 of 0 people found the following review helpful. Five StarsBy Adriana CA amazing book, detailed pictures with thousands of terms, both in Brazilian and European Portuguese.1 of 1 people found the following review helpful. Rare findBy kdfuserVery useful book for learning how to name everything about something (e.g., algebra) or some setting (e.g., in a bar) in Italian. This book is out of print. I am very lucky to find a good used one. My Italian tutor was impressed and wanted a copy for herself. :-)

The latest addition to the Oxford-Duden Pictorial dictionaries, the Portuguese and English dictionary provides the same comprehensive treatment found in other Dudens. This handy reference includes 384 picture sections divided into subjects as diverse as flora and fauna, industry, sport and recreation, the arts, and technology. The Portuguese and English vocabulary appears on the same page as the illustration to which it refers, and numbers link the words to the drawings, allowing the user to check quickly the meaning of a word in either language against its pictorial representation. The Pictorial Portuguese and English dictionary presents European and Brazilian Portuguese as they are written today, as well as European Portuguese variants, and differences in British and American English.
