From The Oxford Centre for Hebrew and Jewish Studies : The Oxford English-Hebrew Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised The Oxford English-Hebrew Dictionary:

5 of 5 people found the following review helpful. I would not recommend this book for an English speaking personBy Walter HarrisIt is difficult to use because of small Hebrew print and it does not provide a phonetic translation. If you know the Hebrew word, you cannot look up the English translation. I would not recommend this book for an English speaking person. It may be OK for a Hebrew speaker who wants to look up an English word.0 of 0 people found the following review helpful. Off English HebrewBy barhayimless than useless my error as wished henrew eng as well

gave it to a library 0 of 0 people found the following review helpful. The dictionary is big and is worth the price but ...By CustomerThe dictionary is big and is worth the price but is more for English learners than Hebrew learners. I would appreciate if they could do both sides one for English and one for Hebrew as wells. And they need too add pronunciation to the Hebrew side!

Now available for the first time in a paperback format, The Oxford English-Hebrew Dictionary is a landmark in the description of modern Hebrew. Using principles developed in English lexicography but never before applied to Hebrew, it is an essential reference for serious English and Hebrew users alike, whether students, scholars, translators, or in professional contexts. The dictionary reflects the development of Hebrew in the twentieth century, and with over 50,000 entries offers extensive coverage of current idioms and phrases, slang and colloquialisms, technical and scientific terminology, academic discourse, legal and medical terminology, American and Australian terms, and a labeling system allowing easy identification of senses, contexts, and registers. For anyone interested in learning or translating modern Hebrew, The Oxford English-Hebrew Dictionary is an invaluable resource.

From the Back CoverThe Oxford English-Hebrew Dictionary is a detailed guide to current usage in English and Hebrew. In addition to a full range of idioms and phrases, slang and colloquialisms, the dictionary offers comprehensive coverage of technical, scientific, legal, medical, and academic terminology. Care has also been taken to record British, American, and Australian variants. Both the presentation and content of the dictionary are designed to guide the reader through the pitfalls of varying register and context; clearly labelled senses and numerous example phrases ensure maximum clarity and accessibility. The result is an essential reference tool for English and Hebrew users alike. The Oxford English-Hebrew Dictionary was compiled and edited at the Oxford Centre for Hebrew and Jewish Studies.About the AuthorA. Kahane is at Northwestern University.
