mhjh1006I bought this for my 4th grader which is why the tiny print doesn't bother me. That's why I gave it 4 stars, but that's also why it's so compact making it a good student size. Having the synonyms listed with each entry makes it easier for him to learn the new vocabulary words rather than just memorizing the definitions for a test.0 of 0 people found the following review helpful. Three StarsBy CoCoPrint is way too small and I don't have bad eyes!0 of 0 people found the following review helpful. Four StarsBy CustomerPrint a bit fine
