**From Brand: Oxford University Press : The Oxford Quick Reference Thesaurus** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Oxford Quick Reference Thesaurus:

This revised edition of the Oxford Quick Reference Thesaurus allows you to look up a wide range of alternative words

quickly and easily, with a straightforward page design that takes you directly to the word you want. Opposite words are provided for many entries, along with advice on the best way to use words. Also included is a Spell-it-Right Guide.
