Joni Seager : The Penguin Atlas of Women in the World: Fourth Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Penguin Atlas of Women in the World: Fourth Edition:

0 of 0 people found the following review helpful. highly recommendBy Tabetha HaggertyI absolutely love this book. For anybody who is interested in gender issues, geography, politics, or sociology, it is a must read. It's not actually much of a "read" at all. It is a very visual book, with lots of colorful maps and graphs with very interesting statistics that you might not have otherwise thought about.0 of 0 people found the following review helpful. Five StarsBy Customerit's great0 of 0 people found the following review helpful. Two StarsBy Kathleen R.Not very current!!

The most up-to-date global perspective on how women are living today across continents and cultures In this

completely revised and updated fourth edition of her groundbreaking atlas, Joni Seager provides comprehensive and accessible analysis of up-to-the-minute global data on the key issues facing women today: equality, motherhood, feminism, the culture of beauty, women at work, women in the global economy, changing households, domestic violence, lesbian rights, women in government, and more. The result is an invaluable resource on the status of women around the world today.

a Innovative . . . A wealth of fascinating information. a "The Washington Post" Innovative . . . A wealth of fascinating information. "The Washington Post"? Innovative . . . A wealth of fascinating information. ? ? "The Washington Post" About the Author Joni Seager is an activist and scholar of feminist geography, gender and the environment, and global environmental policy. She is professor and former chair of the Global Studies Department at Bentley University in Boston, Massachusetts, and was dean of the Faculty of Environmental Studies at York University in Toronto, Canada.
