before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Penguin Atlas of World History: Volume 2: From the French Revolution to the Present* (Penguin Reference Books):

1 of 1 people found the following review helpful. The two volume Atlas of World History is an excellent compact reference. By Rudiger As usual, Penguin books come through again. If looking for anything on history, archaeology, the classics, religion or etymology my first thought is always Penguin. For over fifty years now I have relied on their editions. The two volume Atlas of World History is an excellent compact reference. 0 of 0 people found the following review helpful. Five Stars. By LJE262 Great for the history buff. 1 of 1 people found the following review helpful. A huge amount of historical info in a small format. By Candy Man Maps, charts, diagrams are a great way to understand history. They say a photograph is worth 1001 words. Maps, charts, diagrams are worth 10,001 words.

The second volume of the highly successful PENGUIN ATLAS OF WORLD HISTORY covers events from the French Revolution to the present day. Numerous maps help clarify a detailed chronological summary of the main events of the period throughout the world. This volume has now been updated to include recent events, from the aftermath of the fall of the Berlin Wall to the terrorist attacks of 11 September 2001
