Daphne M. Gulland, David G. Hinds-Howell : The Penguin Dictionary of English Idioms (Penguin Reference Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Penguin Dictionary of English Idioms (Penguin Reference Books):

1 of 1 people found the following review helpful. Five StarsBy NanduriAwesome! loved it4 of 5 people found the

following review helpful. Great Book!By Jose Gabriel EspinozaExcellent for international students or common students looking for ways to improve their English... with expressions such as neck-to-neck or sell down the river you can become an effective communicator by using this phrases that convey a lot of meaning...I recommend it strongly.0 of 1 people found the following review helpful. Its an old versionBy Aaronits an old version and therefore doesnt match the pic but its a good book. the book itself is really useful for foreign learners.

"Power nap," "the Oprah effect," "girl power"-these are just some of the recent figures of speech to have entered our language. This dictionary has been completely revised for its second edition and includes 2,000 new idioms. It provides clear and concise definitions and explains how the idioms should be used. At the same time, the dictionary's thematic arrangement makes it possible not only to study and compare all the idioms in a given subject area, but to match the right one to the right occasion.

About the AuthorDAPHNE GULLAND is the daughter of David Hinds-Howell and has been researching idioms and their origins for a number of years. She lives in Alfter, Germany.DAVID HINDS-HOWELL was born in 1916 and educated at Marlborough College and Oxford University. He had a long and distinguished career as a teacher of English and director of the Hillcrest School of English. He died recently.
