Samuel H. Osipow, Louise F. Fitzgerald : Theories of Career Development (4th Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Theories of Career Development (4th Edition):

1 of 1 people found the following review helpful. Organized Approach to Career Development By Ilene Kunin Professor Osipow makes no assumptions or special claims other than a dispassionate review of the pertinent concepts and the evidence on which they are based. It is a pleasure to read the thoughts of a serious investigator in these days when a new theory is presented virtually every day only to be shot down later 0 of 0 people found the following review helpful. Very very useful By Wendy Jeremie Exactly what I was looking for as I pursue my M.Sc. Very very useful text

Considered to be a classic in the field. The most comprehensive survey and evaluation of the major theories dealing with how an individual's career develops.

From the Back Cover Considered to be a classic in the field. The most comprehensive survey and evaluation of the major theories dealing with how an individual's career develops.
